4-H Adult Helper in Virtual Learning Spaces

As a result of COVID-19 and restrictions to gathering in person, 4-H has moved many educational activities into virtual learning spaces. In response to the unique needs of these learning environments, and to uphold 4-H youth protection and adult supervision, a designated role of Certified 4-H Adult Helper has been created. For adults who would like support 4-H by becoming a Certified 4-H Adult Helper, please refer to this [4-H Adult Helper Certification Flowchart](#) for an overview of the process. Click [here](#) to register.

For Adults: Virtual 4-H Adult Helper Certification Flowchart & FAQ

Purpose: This document is an overview of the required process for adults seeking to become a certified 4-H Adult Helper. () below indicates who is responsible for completing that step.

2020-2021 Record Book Update

The 2020-21 Record Book Manual for Members and the related forms are available on the [State 4-H website](#).

The Adult Volunteer version of the RB Manual will be available in early October.

There are moderate changes to the Leadership Development Report. We added more specific instructions on how to write goals and strategies and added some minimum word requirements to the written sections. There are other minor edits related to the sunset of the Online Record Book. A minor instruction addition on the Annual Project Report about making the "what I learned" statement their own.

For High School aged youth: 2020 STEM Summit Online Nov. 6-8, 2020

Your team of astronauts is stranded on Mars. Your supplies are dwindling. How will you survive, and how will you return to Earth? At the 2020 STEM Summit, students will work with peers and group leaders on a variety of workshops and exercises built around solving this main problem. Each collaborative

exercise will test and strengthen both the STEM skills and the teamwork and collaboration it takes to solve complex problems in the real world – and on Mars.

Update From the State Fashion Review Committee

Our new theme is “State Fashion Revue: Reboot”. While acknowledging current events, we also see this as an opportunity for a new start. State Fashion Revue will be a virtual event in May 2021. Because of this, there will be a few changes. To qualify for SFR, the participant must be enrolled in 4-H and must be named the County Winner in one of the state categories. However, the requirement to make the entries as part of a sewing project has been removed for all categories. This is to encourage members to participate in Fashion Revue who may not be able to attend in-person project meetings. All counties should hold their Fashion Revues by April 24 so eligible members can register for the state event by April 30. The categories are continued from 2020 - Consumer Science Purchased \$40 limit, Vintage, Box Challenge, Traditional, and Cosplay. For more information please visit the [SFR website](#). We are also looking for many people to join the SFR committee who have skills in Zoom and Google, since everything will be online. We would value any support whether you are a techie or not. Please
