

Cover Cropping in Nut Orchards

Community Alliance with Family Farmers (CAFF) & the Farmers Guild invite you to a cover crop field day

Focus: Information sharing among growers and technical advisers regarding cover crops in Colusa county with particular attention on integrating cover crops into the management calendar and seed selection

Wednesday, August 28, 2019 — 9:00 am -12:00 pm

Davis Ranches, Sycamore Slough Rd, Colusa

(Detailed directions provided with RSVP)

Featured Speakers/Topics:

- Benefits and tradeoffs of growing cover crops from experienced growers - Nick Edsall and Daniel Unruh
- Overview of CAFF's cover crop in nuts project - Sara Tiffany (CAFF)
- How to integrate cover crops into the management calendar & annual reseeding cover crops - Janine Hasey (UC Cooperative Extension)
- Planning a cover crop - seed selection, lining up equipment, deciding when to plant - Tom Johnson (Kamprath Seed)

Light Refreshments and lunch will be provided

RSVP REQUIRED:

Please RSVP via [Eventbrite](https://www.eventbrite.com) or by contacting emily@caff.org or at (925) 719-3379
