

**Upcoming FREE webinar (next week!!):  
Practical Canker Management in Almond and Prune**

**Thursday Sep 29, 2022 9:00-10:30 AM.**

[Register now!](#)

The webinar will feature UC plant pathologists Florent Trouillas and Themis Michailides discussing the latest best management practices for almond and prune cankers, respectively. There will be lots of opportunity for Q&A - so don't miss this opportunity to learn how to best protect and preserve your trees for long-term orchard success!

9:00-9:30 Prune Canker Management from Themis Michailides

9:30-10:00 Almond Canker Management from Florent Trouillas

10:00-10:30 Discussion and attendee Q&A

**1.5 CEUs for DPR and CCA Approved**
